

# Beef Cattle

Chief Steward: Max Tweedie

**ENTRIES CLOSE:** 30 September 2019 at 5pm

Entries received after this date will be accepted but not catalogued.

Confirmation of entries will be sent to each exhibitor once their entry has been received by the Show Secretary. Tickets will be posted with your confirmation of entries and will include information regarding stalls, parking and Show maps.

Catalogues are **COMPULSORY** so please ensure you add the fee with your entries. Catalogues can be picked up on the day from the Head Steward. Correct exhibit numbers must be worn or the exhibit will not be allowed in the ring.

Substitutions will be at the discretion of the Chief Steward.

A limited amount of shavings will be provided for bedding in the Beef section. Additional straw/shavings can be provided at the expense of the competitor and this information will be sent to you with confirmation of your entries.

**CONDITIONS OF ENTRY FOR BEEF CATTLE SECTION:**

All cattle must be full purebred and registered with their respective Breed Society.

This Show is run under the rules and regulations of the RAS. The RAS Yellow Card system applies across the whole Royal Show in relation to acceptable conduct.

Correct exhibit numbers must be worn or the exhibit will not be allowed in the ring.

Please ensure that each cattle stall is tidy and is returned to the manner it was found by completion of the Show. All shavings and manure should be moved out, to the front of the stall to allow a tractor to easily remove rubbish at the conclusion of the Show.

Any protest must be made within 1 hour of completion of the class in writing, signed by the person making the complaint and delivered to the Show Office.

Entry in the Show entitles the Society to publish an Exhibitors name in result reports and distribute with Exhibitor lists.

The date of birth of all Breeding Cattle must be stated at time of entry.

As the age of Beef Cattle is determined from 1st June in each year all animals shall be deemed one year older on the 1st June. Calves at foot must be born on or after 1st June prior to the show.

All Animals entered in Pairs, Groups or All Breeds classes, including bulls, whether they be entered in Special Classes or otherwise, must also be entered in at least one other class for which they are eligible.

All led Bulls (born before 31 December last) must have a ring through the nose and be led by two leads and be under adequate supervision. It is compulsory that all Beef Females (born before 31 December last) be led by a halter and a nose clip. Two handlers are allowed with a Senior Bull whilst they are parading in the Show ring.

Rings will be inspected prior to judging and bulls must be securely tied in stalls with a good rope or stout leather halter with rope or chain attachment overnight. It is compulsory that all Beef Females (born before 31 December last) be led by a halter and nose clip. Supervisors and Chief Stewards will have the full right to report any infringements to the Protest Committee requesting disqualification of entries.

All cattle one year old and over must be registered in a recognised herd book. All cattle under one year must be eligible for a registered herd book.

If any injection or dosing is given to any animal the exhibitor must report this action to a Chief Steward of the section or to the Supervisor before under taking it.

Exhibitors leading or parading stock in judging rings and parades must wear clean, white attire, or breed uniform, and these must not carry any distinguishing words or emblems.

When an animal has been duly entered and catalogued in any class but cannot be paraded, it may be replaced provided notification is given to the Cattle Steward and providing it is the property of the Exhibitor concerned. The replacement must meet entry criteria for TB and been tested clear. Breeding data is to be displayed on the stall.

The Hawke's Bay A&P Society reserves the right to amalgamate classes with insufficient entries. The decision of the Society is final. Exhibitors will be notified is classes are to be amalgamated.

The Interbreed Classes are to be judged by all the Beef Breed Judges.

No Entry will be allowed in the Judging Ring without its distinguishing catalogue number and shall be led into the show ring when required by the Stewards or Judges.

Supreme Champion: The Senior Male, Junior Male, Senior Female and Junior Female Champions will parade for this award (except for Speckled Park and Red Devon), which is an RAS Gold Medal & Sash.

To qualify for entry into the All Breeds classes on Friday, stock must be entered and shown in the appropriate age classes of their breed.

Each exhibitor must supervise and control their animals at all times and shall be liable for any hazards created or

accident, illness or damage caused by the action of themselves or their animals at the Showgrounds.

Exhibitors must comply with the appropriate animal legislation and the current health and safety regulations.

Should any person or firm be disqualified or suspended by another Association or affiliated organisation of the Royal Agricultural Society, the suspension or disqualification will also be applied by the affiliate organisations.

All persons admitted into any premises controlled by the Hawke's Bay A&P Society shall be subject to the orders of the Committee and, in the event of misbehaviour on the part of anyone attending the Show such person may be removed by order of the Society. This applies to any person whose conduct, either personal or as proprietor of a side-show, or exhibit, is a source of annoyance.

Entries will only be accepted on the official entry form.

## BIOSECURITY POLICY

## TB STATUS OF SHOW CATTLE

As per the current Ministry for Primary Industries legislation and requirements:  
All Cattle entered for showing must be from a TB Clear Herd.

A copy of the current TB test certificate must be attached to your entry forms. The Society must be notified at the time of entry of any testing to be carried out after closing date of entries or of any TB issues that may arise after entries have been submitted. Owners entering cattle must sign the declaration printed on the entry form.

There are now two documents required under Ministry for Primary Industries regulations.
