# **Hawke's Bay A&P Society Welcome**

On behalf of the Hawke's Bay A&P Society, thank you for taking the time to review our schedule and considering competing in the 157<sup>th</sup> Hawke's Bay A&P Show to be held on Thursday 22 and Friday 23 October 2020.

Hosted at the Tomoana Showgrounds in Hawke's Bay, this is a key and iconic event within our community, and we are very pleased to be able to offer the opportunity for you, your friends and your family to participate within.

The past six months have been tough for many in dealing with COVID-19, and no doubt this will continue for some time, so thank you for including this very special event within your spring calendar of activities.

We are working with MPI and the Ministry of Health together with event professionals from the New Zealand Event Industry Association to ensure that we are following up to date and relevant protocols relating to COVID 19 and alongside this, we thank you for following government guidelines when attending our event and if you are unwell, please do take the necessary precautions.

To prepare for an event like this takes huge efforts for both you and the Society and we send our sincere appreciation to you as a competitor, to our section heads, judges, stewards and the army of volunteers and sponsors for everything that you contribute. Without all you and all the other dedicated people, the Show would not be able to occur.

I wish you all the best for the competition and look forward to seeing you at our beautiful Showgrounds in October.

Kindest regards

Sally Jackson
