

NATIONAL HORTICULTURAL FIELD DAYS

A HAWKE'S BAY A&P SOCIETY EVENT **A&P**

2021 Industry Field Trip

Introduction

The Industry Field Trip is a first for the National Horticultural Field Days in 2021. We will be hosted by some of the most innovative horticultural businesses from across the country right in our back doorstep!

- Find out more about the wider horticultural industry and the different fields of work involved
- Be exposed to a variety of aspects and businesses in the Horticulture Industry.

We are extremely grateful to the following businesses for opening their businesses for the Industry Field Trip:

- Rockit Global Ltd
- Hawk Packaging
- NZ Frost Fans

\$20 per person - purchase tickets via Eventfinda.

On return to Showgrounds, attendees can attend the Ravensdown 'Innovation in Hort' Lunch if pre-registered on Eventfinda - \$40 per person.

Schedule

The Industry Field Trip will start and finish at Tomoana Showgrounds from 8am - 11.45am.

Groups will spend 45 minutes with each host before travelling to the next host site.

Rockit Global Ltd

Host: Chris Hurrey

Address: Home Block - 83 Stock Road, Pakipaki

Rockit™ apples are a natural hybrid of New Zealand's popular Gala and Gala x Splendour apples. Fully mature but uniquely small, the world's first miniature apple* is the delicious result of 20 years of careful natural breeding. We put decades of New Zealand innovation into every Rockit™ apple.

Convenience wins when you want an on-the-go snack, so we pack the healthy goodness of Rockit™ apples in handy 100% recyclable and resealable tubes so you can enjoy a Rockit™ apple anytime, anywhere.

Hawk Group Ltd

Host: Marie Torr

Address: 70-82 Whakatu Road, Whakatu

Hawk are market leaders in fibre packaging solutions to ensure the uncompromised delivery of fruit to market. By recovering wastepaper and cardboard, which would be normally destined for landfill, we are able to control the quality of raw materials to achieve a world class moulded fibre products for the horticultural sector.

Hawk is a locally owned company, based in Hawkes Bay, the heart of New Zealand's Pipfruit industry.

NZ Frost Fans

Host: Andrew (Boots) Roff & Dan Gardner

Address: 1429 Omahu Road, Hastings

New Zealand Frost Fans is a single-site factory operation based in Hastings and exporting throughout the world.

Attendees will see the manufacturing process including composite blade manufacturing, engine assembly and tower fabrication.
